

CUPE ATLANTIC POLITICAL SUMMIT

(September 25-29, 2022)

*You don't wanna hurt me
But see how deep the bullet lies
Unaware, I'm tearing you asunder
Oh, there's thunder in our hearts
Is there so much hate for the ones we love?
Oh, tell me, we both matter, don't we?*

Kate Bush, Running Up That Hill

Are you interested in fostering bargaining and political power within your local? Do you want to learn what is at stake and what it takes to develop policies and legislation which strengthen the labour movement? Would you consider helping in campaigns or running for a provincial or federal seat? Do you want to develop an NDP that works better for workers?

Then please join MP Leah Gazan (MB), former MP Peggy Nash (ON), former MLA Howard Epstein (NS), NDP MLA Suzy Hansen (NS) and others to learn how to do just that.

We will look at the problem of decades of neo-liberal governance; how to fight back; develop an intersectional analysis; and develop a deeper understanding of climate justice from experts across the Atlantic.
